Press Release

I am delighted to confirm the acquisition today of Carpet Line Direct Ltd by Victoria Plc.

The benefits to our business of being part of such a distinguished group including, Victoria Carpets, Westex & Abington, are tremendous. There will be many synergies available to us over the coming months all of which will help strengthen our business, enhance the service we are able to provide and broaden the breadth of products we are able to supply.

We would like to thank all our customers and suppliers for their past support and I look forward to working with them for many years to come.

Regards

Steve Byrne
Managing Director
